Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the document on the attached listing. This Information Disclosure Statement ("IDS") is being filed within three months of the filing date of the above-referenced application.

A copy of the listed non-patent literature document is attached.

Applicants respectfully request that the Examiner consider the listed document and indicate that it was considered by making an appropriate notation on the attached form.

Applicants submit an International Preliminary Report on Patentability ("IPRP") issued by the International Bureau of WIPO on September 19, 2006, in a counterpart International application of which the present application is a National Stage application. Applicants note that the IPRP cites and discusses four foreign documents. These four documents were submitted to the Patent Office with the IDS on August 16, 2006. Therefore, the documents are not listed on the attached sheet nor provided herewith.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
